Product Name : Rock Glue Pro

Product Code : RGLUE 750ML 2L 5L 10L

Product Type:	Gravel / Mulch Binder
Product Form:	Liquid (Emulsion)
Supplier:	FlowChem UK Ltd

Key Features & Benefits

- Binds loose gravel and mulch effectively
- Reduces movement, scatter, and erosion
- Maintains natural appearance of surfaces
- Water-based and easy to apply
- Low odour formulation
- Non-hazardous under UK regulations
- Suitable for domestic and commercial use
- Professional, long-lasting results

Product Description

- Water-based binding agent designed to stabilise loose gravel, stones, and mulch surfaces.
- Forms a durable, semi-flexible bond that reduces movement, scatter, and maintenance while maintaining a natural finish.

Barcode :

750ml - 5 061029 212855
2L - 5 061029 212862
5L - 5 061029 212794
10L - 5 061029 212800

Physical & Chemical Properties

Appearance:	White / milky viscous liquid
Bottle/cap:	Clear Bottle / 38mm Child Safety Cap
Odour:	Mild / neutral
PH:	~6.5-8.5
Solubility:	Fully miscible in water
Boiling Point:	~100°C
VOC Content:	Low

Composition

- Water (50-70%)
- Binder / polymer mixture (30-40%)
- Silicone emulsion (0.3-0.5%)

Application / Usage

- Apply evenly over clean, dry gravel or mulch
- Ensure full coverage of surface area
- Allow to penetrate and bind

Marketing Description

Introducing Rock Glue Pro – the reliable, no-fuss way to lock loose gravel, mulch, and jointing materials firmly in place. This fast-acting, water-based stabiliser is specially formulated to create a strong, durable bond that holds up over time. Whether you're working on a garden path, border, decorative feature, or a container planting, Rock Glue Pro provides dependable performance across a wide range of outdoor applications.

It helps reduce ongoing maintenance, keeps materials from shifting, and supports a neater, more organised outdoor space.

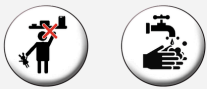

Sales/Label Points

- Locks Gravel & Mulch in Place :** Prevents movement, washout, and scattering in all weather conditions.
- 100% Permeable Surface :** Allows instant drainage and lets water reach roots for healthy plant growth.
- Pet, Plant & Wildlife Safe :** Non-toxic, water-based formula safe for use around pets and garden life.
- Quick-Drying & Weather Resistant :** Dries fast and holds strong through rain, heat, and frost.
- Easy to Use :** Simple application with basic tools – rake, trowel, and sprayer.
- All-Weather Durability :** Maintains a clean, professional finish through rain, sun, and seasonal changes.

Health and Safety:

Health & Safety

- Not classified as hazardous
- May cause mild skin or eye irritation with prolonged contact
- Avoid contact with eyes
- Wash hands after use
- Wear gloves for extended handling

Consult the material safety data sheet for advice on handling and safety procedures.
