PLU-061958

### **WARNING**

Two people are required to assemble this item. Assemble this item on a flat, solid and even surface.

Make sure that all the necessary pieces are in the carton before starting the assembly. Maximum Loading Capacity is 40kg for table.

### **If the glass is chipped or broken, stop using the product and consult the manufacturer or supplier.**

- Do not place very hot or very cold items on the glass surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the glass.
- Do not sit or stand upon the glass surface(s).
- Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.
- When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary; do not use washing powders or any other substances containing abrasives since these substances scratch glass.

### **CLEAN AND CARE**

Periodically ensure all the screws and fixings are secure and the item is stable. Damp wipe only and dry naturally. Do not use washing powders or any other substances containing abrasives since these substances scratch glass.

**Important: Retain this instruction for future reference.
