The Emma Home Trial

Test Emma Mattress for 200 Risk-Free Nights!

Test the Emma products for longer.

So, you don't have to worry about when you can return your Emma products, we have for now extended our risk-free trial from 100 to 200 nights. That will not only be more than enough time for your body to fully adjust to your new mattress (it can take up to six weeks!) but will also take the stress out of having to return unwanted items in the near future. Terms and Conditions apply. See <https://www.emma-mattress.ie/terms/> for full details.

How does the 200-night trial period work?

The only way you'll know whether the Emma mattress is the right fit for you is by testing it. We think 200-nights is the perfect amount of time for you (and your body) to adjust to the mattress and get used to it. If you decide the mattress isn't quite right then we're more than happy to pick it up for you and give you a full refund. All you have to do is call the Home Store + More customer service team to start the process.
